Gestetner of Ceylon PLC once again won resounding recognition for its tremendous sales performance over the past year, rising above its peers in the Asia Pacific region to win the RICOH Asia Pacific Award for Outstanding Achievement in Units & Sales Revenue FY 2016 in multi-functional products (MFP).

Gestetner of Ceylon is currently the only distributor to have won this award, adding to its impressive two time win over the last three years, when Gestetner was awarded for achieving the highest units and highest value performances in the region.

This year's award was at a prestigious distributor awards night that took place in Danang, Vietnam.

Gestetner of Ceylon MD Chandima Perera said: "It has been yet another remarkable year for Gestetner during which we have been able to achieve some of our best sales performances to date. The Sri Lankan market too continues to show great potential. Our strong results were based on the collective efforts of all our departments. Similarly, our valued customers have played an equally important role and we look forward to building on these vital partnerships. We take great pride and encouragement from the recognition that we have been able to win."

Five employees of the sales team at Gestetner of Ceylon were recognised for their remarkable contribution throughout the year. S. A. D. C. P Sumithraarachchi became the Gold winner for Excellent Sales Performance FY 2016. P Dileepa Achalanka De Silva, Mohamed Fawaz Fuji, M. Nadeeka, Shamali De Fonseka and Yogathas Ignesaraj were also recipients of Excellent Sales Performance awards FY 2016.
